This is the first page, it asks general information

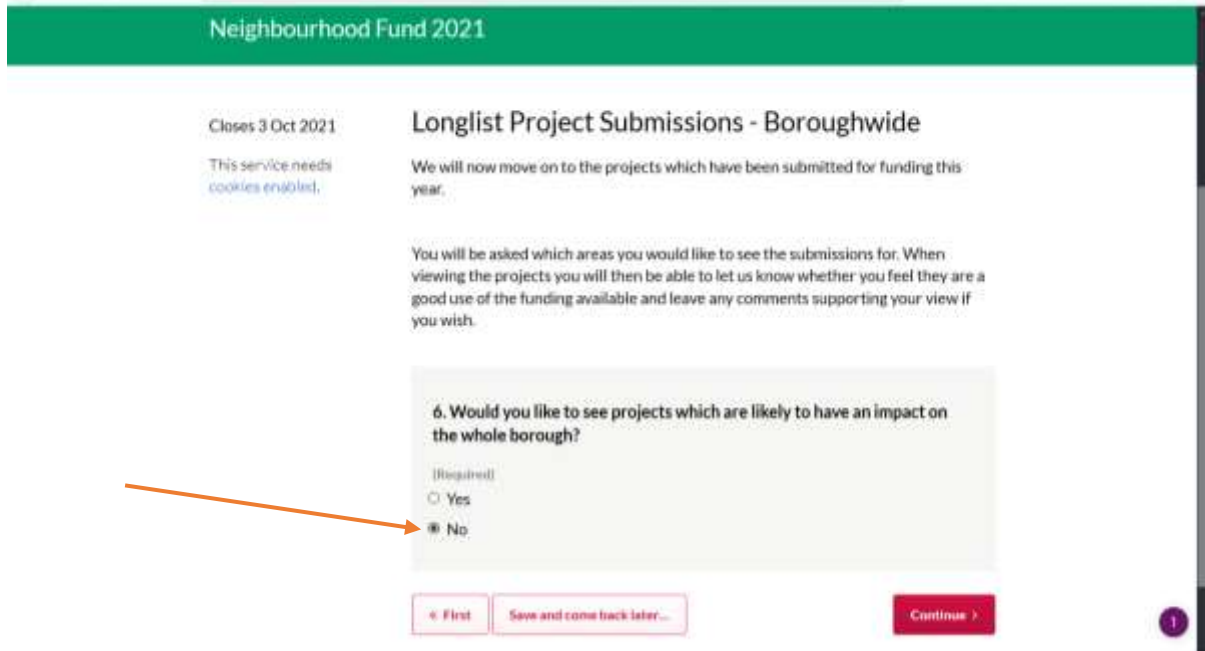

The screenshot shows a web browser window with the URL <https://sutton.citizenspace.com/environment/NeighbourhoodFund2021/consultation/subpage.2020-04-29.1641934545/>. The page contains a survey form with the following questions:

- 1. How did you hear about this consultation?**
A required dropdown menu with the text "-- Please Select --".
- 2. Please select your main interest in the borough:**
A required dropdown menu with the text "-- Please Select --".
- 3. Please select your Ward**
A required dropdown menu with "The Wrythe" selected.
- 4. Thinking about the borough as a whole, please rank the following categories. Your ranking should be according to how much you would like to see investment and improvement in each category.**

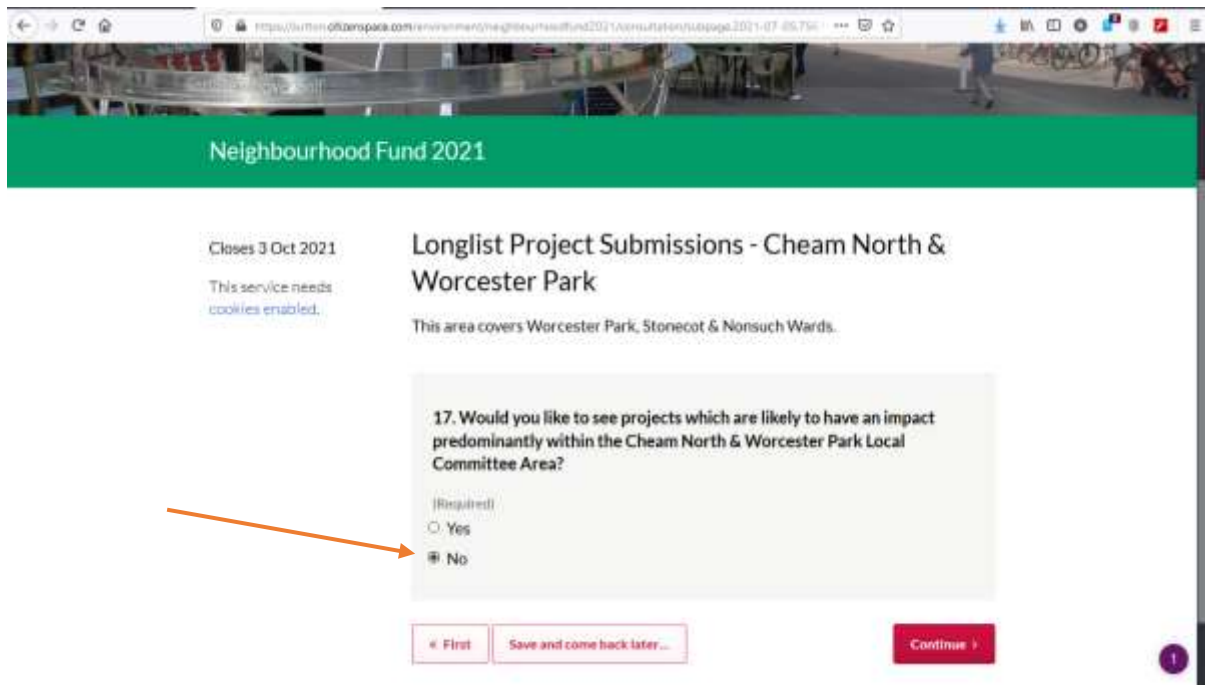

Scroll Down

The next page asks if you want to see all the applications in the entire borough. You can if you want to, there are a large number of them.

Or you can just narrow it down a bit and get to the section called **St Helier, The Wrythe & Wandle Valley**, which is the part where our application is .

The next few pages are all about filtering out results you don't want. You can comment on them all if you have the time
